ABOUT US

Matrix International Gen. Cont. Est. is managed by a highly qualified, motivated, and experienced team to cope with the fast development of this Kingdom. Matrix International Gen. Cont. Est. is also engaged in the supply of all categories of skilled and unskilled labor, administrative staff, Engineers, and Professionals. We shall be pleased to depute our representative to meet you, discuss and assist your requirements in a professional manner.

We take pleasure in introducing ourselves as a professionally managed contracting and industrial supplies company operating in the Kingdom of Saudi Arabia. Presently we have major clients for the reputed companies in Saudi Arabia, being provided by efficient and prompt services from our company with timely delivery.

Our Mission

Matrix International Gen. Cont. Est. believes in providing optimum service and premium products to the clients and collaborators of the company with efficient and conducive effort with the aim of bringing about healthy relationships and absolute satisfaction.

Our Vision

Our Company aims at bestowing the coming generation a wider, broader and a stronger base to provide better opportunities, innovation and standards of life. To put the resources we have to better use and thereby save more for the future.

Our Values

We strongly believe that core values are the base of every company and their performance on the job. Not only do core values have an impact on the notable work that a contracting company puts out, but also the bad work that that has to be redone later.
